

Spread amidst casuarinas and coconut trees on either side of the main house on the island's north-west point, Denis Private Island's guest accommodation boasts 25 elegant cottages and villas, each with its own private beach front with sun loungers and chairs. Decorated in a natural theme they feature a sitting area, IPOD docking station, IDD telephone, tea/coffee-making facilities, mini fridge, iron/ironing board, air-conditioning, ceiling fan, dressing table, hair dryer, and amenity kit. The open bathrooms feature ceiling fan, shower, bath, W.C, bidet, double vanity, and lead into a private courtyard with al fresco shower.
