

SIX SENSES

Ziggy Bay

*wellness programmes*

## *six senses ziggy bay* - a place like no other...

The rugged Hajar Mountains provide a stunning backdrop to this indigenous village-style resort, which rests peacefully on a long sandy beach and evokes a feeling of relaxation and tranquillity from the moment you arrive.

Our aim at Six Senses Ziggy Bay is to make your life better and happier by elevating all your senses.

To do this, we have combined the expert knowledge of our wellness team with the healing properties of the surrounding environment to deliver a series of wellness programmes setting you on a path towards a healthier and more fulfilling life.

This means lifestyle analysis, specialist treatments, locally-inspired therapies, healthy cuisine, relaxation techniques and a variety of wellness and fitness activities to help you attain a specific goal. Whether it is detox, fitness, stress relief or a more active approach to relaxation, we will guide you on your journey to the ultimate body and mind balance.

This is your chance to take time away from everyday life and create a break for reassessment, to learn new wellbeing techniques and reach a greater sense of self-awareness in idyllic and luxurious surroundings. An opportunity not to be missed...

Each of our wellness programmes includes the following:

- Personal wellness consultation on arrival
- Access to complimentary daily wellness activities as per our weekly schedule
- 2 x healthy drinks at the spa's juice bar
- Access to steam, sauna, ice cave and the gym

## *sense of detox*

A chance to stimulate the body's natural healing pathways and encourage regeneration and cleansing, this detox programme offers a variety of purifying treatments and daily wellness activities. There are optional diets specially designed to enhance the detox process, improve digestion and boost the immune system. You will leave feeling invigorated, vibrant and having achieved longer lasting health.
