## THE NATURE CENTRE ACTIVITIES

---

The Nature Centre embodies our brand DNA of ‘Man and Nature in Perfect Harmony’. It functions as a conduit for our guests to discover the unique flora and fauna of Teluk Datai through engaging nature-centric educational walks and hands-on activities led by celebrated Resident Naturalist, Irshad Mobarak, and The Nature Centre team. In addition to being fun, these activities are educational with a message of conservation.

All activities are subject to weather conditions, seasonal availability, and weekly scheduling. To avoid disappointment, please make reservations for all activities with our Concierge on ext. 2, at least 24 hours in advance.

---

## NATURE BUMI

---

Pulau Langkawi's rich paleogeological history forms the bedrock of the diverse floral habitats that a myriad of species call home. Be introduced to the terrestrial inhabitants of Teluk Datai on our engaging excursions.

---

## RAINFOREST AWAKENING

---

As morning light break, the forest awakens to the sights and sounds of birds, monkeys, squirrels and a myriad of other delightful animals. Morning is the best time to walk our grounds to gain an insight into the thriving plant and animal life here. Discover a treasure trove of medicinal plants that are increasingly finding their way into modern medicine.

Attire: Regular day wear, with comfortable footwear, hat and sun protection.

Complimentary  
Maximum of 12 people  
Suitable for ages 13 and above  
90 minutes

---

## RAINFOREST AFTER DARK

---

As the fading light of dusk draws to a close and as night descends, a host of unique creatures prepare for its night shift. Watch out for flying squirrels, bats, geckos, the very unique colugos, and many others.

Attire: Regular day wear with comfortable shoes.

Complimentary  
Maximum of 12 people  
Suitable for ages 13 and above  
90 minutes

---

## BUTTERFLY WALK

---

The Datai has designed an 80 m long open concept garden with plants to attract the butterflies that are usually high up in the forest canopy for your viewing pleasure.

Attire: Regular day wear with comfortable shoes.

Complimentary  
Maximum of 12 people  
Suitable for ages 13 and above  
60 minutes

---

## PERMACULTURE GARDEN WALK

---

The Permaculture Garden is a zero-waste organic food production system with a closed-loop waste management system and it represents a continuous journey towards developing sustainability within the property. Be introduced to the philosophy of permaculture gardening and the nature-inspired design of the garden.

Attire: Regular day wear with comfortable shoes.

Complimentary

Maximum of 12 people

Suitable for all ages; ages 15 and below must be accompanied by adult guardian

60 minutes

---

## BIRDWATCHING WALK

---

A walk for both beginners and seasoned birdwatchers. Learn how to bird and start checking off your list with our experienced birdwatching guides.

Attire: Regular day wear with comfortable shoes.

RM150 per person  
Maximum of 6 people  
Suitable for ages 17 and above  
120 minutes

---

## JOURNEY THROUGH THE FOREST

---

This escorted 500 m walk will take you through our newest trail – The Rimba Trail. This informative walk will transition from a littoral or coastal forest, then over a 70 m elevated walkway over a mangrove habitat. We continue through a lowland rainforest, the highlight of which is a 20 m long, 15 m high Canopy Walk up the most bizarre looking tree in our rainforest.

Attire: Regular day wear with comfortable shoes.

RM100 per person

Maximum of 6 people

Suitable for ages 6 and above; ages 15 and below must be accompanied by adult guardian

90 minutes

---

## TREK TO CRYSTAL CREEK

---

A short trek into the rainforest leads to a jungle pool. The cool and pristine water provides a respite from the tropical heat.

Attire: Regular day wear with comfortable shoes.

RM150 per adult and RM100 per child  
Minimum 2 Adults and maximum of 6 people  
Suitable for ages 4 and above  
120 minutes

---

## NATURE SAMUDERA

---

104 islands make up the Langkawi Archipelago. Over millions of years, nature has adapted to colonise the extensive coastlines of the archipelago and aquatic beings roam through the shallow seas surrounding the islands. Embark on journeys specially designed to connect you to the ocean and its wonders.

---

## BEACH WALK

---

Discover the interesting beach wildlife that has adapted to survive in a harsh and ever changing environment with extreme heat of the sun, tidal change and swirling sand, all in one place at our Datai beach. This activity is only available during the lowest tides of the month.

Attire: Comfortable beach wear with hat and sun protection.

Complimentary  
Maximum of 12 people  
Suitable for ages 13 and above  
90 minutes

---

## OCEAN'S DRIFTERS

---

Have a glimpse of the microscopic world of our seawater. This activity is similar to a mini scientific field trip of using nets and microscope to examine the tiny creatures. These microorganisms are often overlooked although they are vital to the survival of many animals, both on land and in sea.

Attire: Comfortable swim wear with hat and sun protection.

Complimentary  
Maximum of 8 people  
Suitable for ages 6 and above  
60 minutes

---

## WATER DETECTIVE

---

Be a water scientist and learn about water quality. Collect samples from the different water bodies of Teluk Datai and return to the Laboratory to test the chemical and physical properties of water. This exercise will help us in our monitoring of the bay's water quality.

Attire: Comfortable beach wear with hat and sun protection.

RM60 per person  
Maximum of 8 people  
Suitable for ages 6 and above  
90 minutes

---

## CORAL REEF DISCOVERY

---

The coral reefs of Langkawi are unique as they thrive in turbid shallow waters. During certain times of the month, visibility improves and guests will be able to discover the underwater metropolitan that is the coral reef. Check out beautiful structures and spot different reef fishes. Your guide will bring you on an eye-opening tour in the water. Hopefully by the end of this snorkel trip, you will know that there is more to coral reefs than just Nemo.

Attire: Comfortable swim wear with sun protection.

RM50 per person  
Maximum of 4 people  
Suitable for ages 13 and above  
60 minutes (Seasonal Jan-Apr)

---

## CORAL OF OPPORTUNITY

---

Many hard corals in the tropics build massive reefs that are home to 25% of the ocean's biodiversity. They are resilient creatures, thriving in nutrient-poor waters for eons. Unfortunately, they are being threatened by human activities. Learn about the amazing adaptations of these corals on an exploratory walk along a reef flat at the lowest of tides and ways to save them.

Attire: Comfortable beach wear with hat and sun protection and closed toe water shoes.

Complimentary  
Maximum of 6 people  
Suitable for ages 13 and above  
75 minutes

---

## MYSTERIOUS MANGROVE

---

Trees and animals that have evolved to live and thrive in an environment of dynamic and constant change, dictated by the ebb and flow of the ocean tides. Join us on a journey of discovery on a kayak and let your guide unravel the mysteries of the mangrove.

Attire: Comfortable beach wear with hat and sun protection.

RM80 per person

Maximum 6 person

Suitable for ages 6 and above; ages 15 and below must be accompanied by adult guardian

90 minutes

---

## DATAI KAYAK ADVENTURE

---

Anak Datai is the oldest part of the oldest rock formation in Malaysia. Enjoy a relaxing paddle as our guide unfolds the story of the Machincang formation.

Attire: Comfortable beach wear with hat and sun protection.

RM80 per person

Maximum 6 person

Suitable for ages 6 and above; ages 15 and below must be accompanied by adult guardian

90 minutes

---

## NATURE KIDS

---

Play in nature is vital for a child's development. These excursions and activities are suitable for our junior guests for a fun and educational experience in the natural surroundings that make The Datai Langkawi special.

---

## FISHING FOR TOMORROW

---

Learn the importance of sustainable fishing at our very own Sungai Datai. Explore the mangrove hidden behind the beach which serves as a vital nursery ground for freshwater and saltwater fish. This activity will introduce you to our very own conservation effort, Fish for the Future.

Attire: Comfortable swim wear with hat and sun protection.

Complimentary  
Maximum of 8 people  
Suitable for ages 4 to 12  
60 minutes

---

## MINIBEAST DISCOVERY

---

Discover a bug's world at Datai. Get to know some tiny critters, what they mean to our environment, and peer through a magnifying glass into the world of a minibeast.

Attire: Regular day wear, with comfortable footwear, hat and sun protection.

Complimentary  
Maximum of 8 people  
Suitable for ages 4 to 12  
60 minutes

---

## YOUNG EXPLORERS

---

All animals have three basic needs: food, water and shelter. Join our explorers and discover unique ways the forest provides these survival essentials.

Attire: Regular day wear, with comfortable footwear, hat and sun protection.

Complimentary  
Maximum of 8 people  
Suitable for ages 4 to 12  
60 minutes

---

## BOTANICAL WONDERS

---

Teluk Datai has some amazing native plants. Learn how to identify common native flora and discover some of the many species found here.

Attire: Regular day wear, with comfortable footwear, hat and sun protection.

Complimentary  
Maximum of 8 person  
Suitable for ages 4 to 12  
60 minutes

---

## NATURE INSIDE

---

Learn about the natural world indoors through fun hands-on activities.

Attire: Regular day wear.

Complimentary  
Maximum of 8 people  
Suitable for ages 4 to 12  
60 minutes (seasonal June – October)

---

## STORYTELLING AND KNOWLEDGE SHARING

---

There is much to discover of the biosphere that cannot be experienced in our vicinity. Allow us to share its wonders using other means of engagement.

---

## JUNGLE VOICES

---

Come listen to stories from the wild as told by the Nature Centre team and invited experts.

Attire: Regular day wear.

Complimentary  
Maximum of 15 people  
Suitable for ages 13 and above  
60 minutes

---

## INDOOR WORKSHOPS

---

Learn some nifty skills to help you live more sustainably at home by making reusable beeswax food packaging and artisanal soaps. Bring home the goodies you make as a souvenir or to start a “waste less” lifestyle.

Attire: Regular day wear.

RM100 per person  
Maximum of 8 people  
Suitable for ages 13 and above  
60 minutes (seasonal June – October)
