

FREGATE ISLAND PRIVATE

SEYCHELLES

A jewel of conservation – Seychelles' true sanctuary

Fregate Island Private offers travelers the unique opportunity to enjoy an exclusive island experience with a team genuinely committed to conservation. Meanwhile, luxurious accommodation is sensitively developed, with a spaciousness that allows guests to immerse themselves in the natural beauty while enjoying the finest hospitality that is synonymous with Oetker Collection.

LOCATION

Fregate Island is accessible by sea and air: personalised services for helicopter, plane or boat transfers from Seychelles International Airport on Mahé Island.

15-minute flight to Fregate Island or 1.5-hour boat trip from Mahé Island.

RESTAURANTS & BARS

A large variety of fresh fish directly from the ocean is available. A selection of fresh, home grown ingredients daily cooked by The Chef Alan Larch offering Créole and international cuisine at its best.

In addition to the main restaurant, plantation restaurant, pirate's bar and beach bar guests may enjoy a meal anywhere, anytime on the island. In the Tree house high up in one of the island's oldest and largest banyan trees, in the Yacht Club or choose any of the beaches for a BBQ, breakfast, lunch or dinner. A Sunset Cruise or Sashimi Picnic are also offered for a boat excursion. An early evening cocktail can be organized on Mont Signal.

Guests can stay in the comfort and privacy of their own residence, where their private butler will take care of all dining arrangements.

WELLNESS & BEAUTY

Fregate Island's Rock Spa is the ideal spot to both relax and revitalise the mind, body and soul. Drawing on age-old know-how and the healing properties of local plants, the spa's experts offer treatments, massages and yoga instruction in a truly peaceful environment.

Rock Spa products will complement the treatments and therapies perfectly. Made in the Seychelles with ingredients grown on Fregate Island, products offer the ultimate in relaxation, revitalisation, detoxification and inner strength.
