A LUXURY YACHT  
AT COMO MAALIFUSHI

## THE LUXURY OF ACCESS

'Cameron', COMO's elegant new 68ft luxury yacht in the Maldives, opens up the archipelago's wildest reaches. Using this liveaboard vessel, guests can dip in and out of COMO's two resorts, COMO Cocoa Island and COMO Maalifushi, to experience two very different atolls. There is a night's easy sailing in between, incorporating cobalt waters and white-sand islets where you can choose to lie on deck under the moon-soaked mantle of a tropical night. You can take her fishing, surfing and diving, on itineraries of your choosing.

## INTO THE INDIAN OCEAN

Usually anchored at COMO Maalifushi, 'Cameron' is available to charter for a few hours, or can be booked for multi-night itineraries to catch a specific wave, a whale shark migration, or for an extended honeymoon adventure. Staff are tailored to each excursion, be it chefs for picnics on marble-white sandbanks, or night dives requiring a specialist instructor. We have marine biologists to take your children snorkelling, surf teachers and sport fishing guides, as well as state-of-the-art equipment, including a 40ft tuna-spotting tower and open bridge deck to help you find and catch the Maldives' bountiful ocean game.

## AND WANT FOR NOTHING

COMO's signature discretion and cosseting service is what makes 'Cameron' one of the most unique boats of her kind. Like a floating hotel suite, she traverses the archipelago in safety, with a top speed of 32 knots. Advanced navigation and cruise controls, night vision and depth sounders ensure a smooth ride at all times. For those who want to just kick back in comfort, there is not only an air-conditioned fly bridge but a polished walnut-lined lounge. The three luxurious cabins are configured as a master suite, queen and twin – all with ensuite bathrooms – and all finessed as elegantly as COMO's well-loved hotels.

## ON THE OCEAN'S FRUITS

Be it on land or water, COMO never loses sight of the importance of eating well. Aboard 'Cameron', you can enjoy sashimi-grade seafood, drawn fresh from the ocean, served in elegant combinations. We can barbecue lobster on the rear deck, or organise a candlelit dinner on a deserted sandbar catered by the yacht's COMO-trained chefs. Healthy options from the COMO Shambhala Cuisine repertoire are also available, including energising juices at breakfast. We can flex to your tastes and needs, be it bento boxes on fishing excursions, or canapés on a sunset cruise.
