THE LEADING HOTELS
OF THE WORLD

Maradiva, member of Leading Hotels of the World, is an exclusive haven of luxury spread over 27 scenic acres with 750 m of pristine beach. The 65 villas with private pool refurbished in 2016, feature Hermès wallpaper and amenities, a tranquil living and dining area, with the benefit of butler service to ensure that every guest need is met. They were inspired by colonial residences of the sugar cane owners.
