GOURMET

Hang Bay : Guests can sample a fusion of cultural cuisine, from the freshest seafood to the finest steaks, all the while delighting in Phum Baitang's beautiful sunsets and starlit nights.

Bay Phsar: With views over surrounding rice paddies and gardens, Bay Phsar promises an array of vibrant Cambodian flavours created using local ingredients. Guests feel like at the local street market and pick their own fresh ingredients and spices with the help of our chef. The rice accompanying our cuisine comes straight from the surrounding paddies.

Cigar & Cocktail Lounge in authentic 100-year-old Cambodian farmhouse : The traditional lounge boasts an extensive drinks menu with a wide variety of cocktails from the traditional to the innovative, a selection of fine wines, vintage liqueurs and premium cigars for smoking on the terrace.

Pool Bar: Adjacent to our 50m outdoor infinity pool, the Pool Bar offers a stunning open-air setting with extensive views of the surrounding rice paddies and gardens. Guests can enjoy a light meal or quench their thirst with one of our refreshing homemade juices while soaking up the Cambodian sun.
