

# Updated flight schedule and departure airport for flight service to Soneva Kiri

The unspoilt beauty of ancient Siam is even easier to reach with up to 6 flights a day

We are delighted to advise that all of our flights will now operate from Suvarnabhumi, the main international airport located on the edge of the capital. Our hosts will greet guests as they pass through customs after disembarking from a domestic or international flight, and transfer them to our waiting planes. This means that guests do not even need to leave the convenience of the airport, and will find themselves landing to a warm welcome from our team.

Soneva Kiri's Private Airport Representative will escort the guests to board the resort's luxurious custom-fitted eight seat Cessna Grand Caravan for the 70 minute flight to Koh Mai Si, our private airport island.

Guests will then enjoy the breathtaking views of Koh Kood as our speed boat transports them in a matter of moments to the private jetty at Soneva Kiri, where a warm greeting awaits!
