

# Soneva in Aqua

Baa Atoll • Maldives

#### LOCATION

Soneva In Aqua will offer guests the freedom to cruise to the most exceptional reefs and breathtaking locations in the Maldives providing unforgettable and unique experiences for both divers and non-divers. The Captain will set the destination and itinerary according to the guests' daily desires allowing perfect freedom and flexibility.

#### MANAGEMENT

Soneva In Aqua is managed by The Soneva Group and will incorporate the same brand values and personal service promised in the Soneva resorts.

#### About the Soneva Group

The Soneva Group is a world leading sustainable luxury resort operator. It is made up of Soneva Fushi in the Maldives and Soneva Kiri in Thailand. The company also holds a majority stake in Six Senses Laamu.

The company is committed to leading the fight against climate change within the tourism sector with Soneva Fushi decarbonising by the end of 2014 and the other resorts to follow.

The Soneva Group came into being following the decision by Sonu Shivdasani, the founder of Six Senses Resorts & Spas, to sell the Six Senses and Evason brands in February 2012. Mr Shivdasani retains the role of Chairman and major shareholder in the Soneva Group.

The Soneva Group is committed to its SLOW LIFE philosophy:

#### CONCEPT

Soneva In Aqua, the pioneering new concept from the Soneva Group will launch at its flagship resort, Soneva Fushi in the Maldives, 1st January 2014. Soneva In Aqua will further elevate guest experience by offering the option of a boat villa which will combine all the benefits of this iconic resort's services and amenities with the freedom and exclusivity associated with a private boat charter.

The ultra-luxury and highly refined yacht measures 19.25 metres in length and 6.40 metres wide with a cruising speed of 6 knots. Whilst supported by engine power, the yacht's mainsail will rely on nature to provide the majority of its energy. The boat has a maximum occupancy of four guests to provide the ultimate sense of exclusivity and privacy whilst offering intelligent luxury of the highest international standard.

The two-cabin boat features a spacious master suite with a glass sunken bath and shower facilities. The second cabin offers a king-sized bed and en-suite facilities. Other features include an external raised sun and dining deck, a lower level bar and dining area plus daybeds, lounge seating and a Jacuzzi. Additional sun deck space is also available on a lower level for spa treatments and an internal library, lounge and dining room provide additional areas ideal for entertaining. The design features natural materials such as rich brown leathers, woods and organic cottons. Soneva In Aqua has been built with environmentally zero emission materials and all equipment including engines and generators are to the highest specification with regards to fuel saving efficiency.

#### FOOD & BEVERAGE FACILITIES

Soneva In Aqua provides guests with both indoor and outdoor dining experiences that promise to be both unique and memorable. Breakfast is served either on deck or in bed with an array of fresh fruits, cereals, pastries and much more. Delightful lunch and dinner menus are prepared in consultation with our guests to create some of their favourite dishes as well as some Maldivian specialties including fresh fish and shellfish caught fresh from the ocean daily. Menus will be designed by the Soneva resort executive chefs using local produce and where possible produce grown at the resort.

Meals are perfectly combined with a selection of quality international wines and spirits. The bar on the upper deck is the best place for sunset drinks and cocktails before dining. Additionally, guests can discover private islands or coves and dine under a starlit sky with sand beneath their toes whilst enjoying a simple barbeque or a romantic meal.
