

We are pleased to inform you about the top ten reasons to visit Viceroy Bali. Ten reasons is just the beginning....

Luxurious and romantic Viceroy Bali offers a wealth of pleasures and treasures to its guests; indeed, even many who are loyal repeat visitors find something new and special each time. If one were pressed to compile a list of the top ten reasons to visit, however, these unique attributes would surely make the list:

1. Privacy. The complete seclusion afforded by each of the resort's 25 bespoke pool-villas is a favorite aspect of Viceroy Bali. Whether a party of two entranced by each other or a group of 20 gathering for a celebration, guests find that the luxury and beauty of the Balinese themed accommodations creates a delightful intimacy and serenity for all.

2. Activities. Many guests are bespelled by the villa experience and see no need whatsoever to venture forth into wider Bali ... but for those who do, many exciting adventures await. From whitewater rafting to biking a volcano to a Balinese cooking or dancing lesson, Viceroy Bali is ready to satisfy every wish for a culturally and ecologically enriching experience.

3. The Helicopter Port. Yes, the resort has a helicopter port for long range helicopters up to 2.4 tons and 13 meters long. It's not just a fun fact; it's also a bespoke convenience for those desiring ultraefficient transportation on arrival and departure and for touring Bali on one of the itineraries the Viceroy Bali has on offer.

4. Location. Speaking of exploration, the quirky and arty village of Ubud is just down the ridge, meaning shoppers, temple-explorers, bicyclers, elephant riders, and monkey fans have easy access to one of Bali's most diverse and thriving cultural centers. Viceroy Bali even offers complimentary shuttle service to and from Ubud just a mile away.

5. CasCades Restaurant. A Fine Dining restaurant with the stunning views of the Petanu River Gorge from the restaurant and lounge. Cascades serves French food with an Asian Twist. The produce here is all fresh and local but the fine, high-quality meats are imported.

Viceroy Bar is one of the best-stocked watering holes in Ubud and features a wide selection of fine Cognacs, Scotches, Japanese Whiskeys, spirits, and cigars. A swim-up bar overlooking the gorge might just be the best seat for a cocktail in the house for a pre- or post-dinner.

6. Lembah Spa. Also perched over the Petanu Gorge is the renowned Lembah Spa, the ideal setting for wellness treatments that expertly blend Western knowledge with Balinese wisdom. In the serene and soothing setting of the spa, or their own villas if they prefer, guests are pampered with a variety of services that nourish body and mind.

7. The Service. The hotel staff always strives to make guests visit a wonderful experience with unsurpassed personalized service. The concierge service at the Viceroy Bali Hotel is second to none; ensuring guests stay in Bali to be as satisfying as possible. The range of special services includes flight ticket booking and confirmation, restaurant bookings, sightseeing tours, car rental, bell-desk and postal services.

8. The Ambience. The resort has taken great care to incorporate the natural beauty and artisanal sense of Bali into its design, decorating, and landscaping. Visitors will appreciate the sights, sounds, and scents of the Valley of the Kings whether they are dining, enjoying a spa treatment, practicing yoga, or simply relaxing under the lobby's thatched along-alang or their own private balé.

9. The Weather. Bali temperatures range from 73 to 82 degrees in the mountains (Ubud area) and 82 to 95 degrees on the coast throughout the year. Wherever you are within the Viceroy Bali grounds, a beautiful breeze flows through the valley, but to ensure guests' comfort, villas have fans, air conditioning, and 500 thread count cotton bed linen to boot.

10. Small Luxury Hotels of the World (SLH). Viceroy Bali is the only member hotel of "Small LuxuryHotels of the World (SLH)" in Ubud. Each hotel members is assessed and regularly checked to ensure that it adheres to stringent quality controls and maintains the very highest standards. Viceroy Bali: Ten points and counting....
