The à la carte menu offers up a plethora of dishes that are rich in flavour, tradition, experience and creativity.

RESTAURANT | PANORAMIC SEA VIEW

The refinement of the cuisine served up at Ristorante L'Incantu is complemented by a unique wine list – the fruit of a painstaking selection that gives diners access to the very best regional and national wines.

The restaurant reinterprets traditional architectural elements in a modern key, with elegant design and minimalist styling very much to the fore.

The large windows afford stunning **sea views** while the **open-air terraces** provide a feast for the eyes. From the terraces you can admire the **medieval borgo of Castelsardo**, the Gulf of Asinara and the sinuous valleys that surround the resort.
