

BIRD ISLAND

Private Island Villas - Seychelles

Factsheet

Bird Island is the most northerly island of the Seychelles archipelago, situated 65 miles from the main island of Mahé. A 30 minute flight by light aircraft gives the first stunning impressions of this coral cay surrounded by over 5 Kilometres of fine white coral sand beaches and turquoise clear waters. Boasting only 7 villas, the island leaves you with a true 'castaway' feeling.

This private island which serves as a sanctuary for thousands of birds, giant land tortoises, and breathtaking marine life is a treasure trove for nature lovers. With an emphasis on relaxation and informality, visitors can appreciate the conservation of wildlife in the most beautiful, tranquil setting and escape the hassles and chaos of ordinary life - a true retreat from today's busy world.
