REASONS TO CHOOSE LA PIROGUE

- On the west coast of Mauritius overlooking 1.5 km of white sandy beach, picturesque views of Le Morne Mountain and a perfect spot for magnificent sunsets.
- Newly refurbished hotel more boho-chic than ever designed and styled by Mauritian Designer Virginie Koenig.
- Easy access to six restaurants and three bars – an invitation to discover refined international and fusion style cuisine, own signature cocktails and daily sundowners.
- One of the best kids and teens club of the island offering a world of fun and entertainment for kids from 2-11 years and teens from 12-17 years.
- A fully equipped Fitness Centre by Aura and a unique Health and Wellness Tropical Spa by Cinq Mõndes with its own authentic hammam.
- Complimentary return boat transfer from Pointe Maurice jetty to Ile aux Cerfs Golf Club and daily golf initiation at 11am.
- Complimentary Wi-Fi throughout the resort.
- No boundaries to restrict your enjoyment of the facilities of two hotels with five-star sister property at walking distance, Sugar Beach and services of both properties.

SUNCARE

As an organisation that embraces ethics, transparency, and accountability, SUNCARE was founded in 2016 to address sustainability initiatives as per the triple-bottom line approach of environmental, social and financial responsibilities by finding innovative ways to do more with less.

We have set up the SUNCARE Foundation, which enables us to help fund these projects. The Foundation offers guests staying at our Sun Resorts properties the chance to reduce their carbon footprint and contribute to local community and environmental projects through a small donation on check out. The initiative contributes to four key causes we are most passionate about: SUN Children, Cancer Trust, our community-based projects, Marine Conservation, and our Adopt a Tree project. Because we care for Our People, Our Community and Our Island, your contribution can help achieve a solution for generations to come. Winner of Sustainable Tourism Award 2018

LA PIROGUE MARINE RESEARCH CENTRE

Invited by the University of Mauritius La Pirogue is collaborating in a Marine Research project in the region of Flic en Flac. The project will include the study of wave action affecting the reef and lagoon in our region, beach sand erosion, water quality assessment and eventually a coral farming project. Our onsite Marine Biologist, a graduate of the University of Mauritius will be available every Monday, Tuesday and Wednesday at our research centre based at the boat house. Guests are invited to join him at one of his regular briefings or accompany him as he performs his various biodiversity surveys, water quality assessments, equipment maintenance and monitoring of the marine environment. He will also join a number of our snorkeling trips to enhance your experience of our coral reefs and surrounding lagoons.

In future, guests will be able to participate in the creation of our live man-made coral reef, by transplanting coral polyps from one of our two coral nurseries located near the hotel. Becoming an accredited coral gardener will be another accolade to take home from your stay at La Pirogue.
