

A vibrant underwater photograph of four children in a swimming pool. They are all wearing colorful goggles and smiling. The child in the top left is making a peace sign. The child in the top right is also making a peace sign. The child in the bottom left is holding up five fingers. The child in the bottom right is holding up three fingers. The water is clear blue with some bubbles and light reflections.

BAGLIONI KIDS CLUB

BAGLIONI
RESORT

SARDINIA

A PLACE MEANT FOR CHILDREN

THE JOY OF PLAYING AND TOGETHERNESS

Perfect for a family beach holiday, the Baglioni Resort Sardinia combines luxury and comfort, providing a Kids Club for younger guests, where children and teenagers can enjoy entertainment activities provided by the resort's skilled staff. A fun-filled resort surrounded by nature that caters for the needs of young and old alike.

There are plenty of activities for children, both inside the Club and at the outdoor pool—from sports to beach and pool games for all ages to creative workshops and wellness. Parents can relax on the resort's beautiful beach or indulge in a massage for two at the Baglioni Spa, while the kids have fun in a safe and secure environment.

The Kids Club is for children and teenagers aged 3 to 12 and is open from Monday to Sunday between 10 am and 10 pm (including lunchtimes). A baby-sitting service is also available to parents at the resort.

The Baglioni Resort Sardinia is the perfect choice for those wanting to enjoy a luxury holiday with their children.

OUR KIDS CLUB

Incredible experiences await our little guests! Even on holiday, children and young people can learn, make new friends and discover unique places. Our Kid's Club is the perfect place to keep them entertained with a host of outdoor games and activities. There is a large area for them to enjoy indoor recreational activities under the supervision of the entertainment staff, as well as a relaxation area where they can unwind or take a break.

CREATIVE WORKSHOPS

Creating and inventing with their own hands: creative workshops are a valuable opportunity for children to develop their manual skills and creativity, and to learn while having fun, allowing their imagination to flourish.

OUTDOOR ACTIVITIES

From water sports to treasure hunts, from dancing to handicrafts that develop creativity, and much more...There are a whole host of games in a spacious area where children can explore and experiment through hours of fun. There is a supervised children's pool, a small garden outside the Kids Club and a large green space near the resort pools. There are also a range of beach activities designed to make their stay an unforgettable one.

RELAXATION FOR KIDS

In addition to the many sports activities, the Kids Club offers relaxation and well-being for children, including yoga. Through games, stories, fairy tales and moments of relaxation, children learn to breathe and become aware of this vital action, as well as to relax and recognise their emotions.
