## JABAL AKHDAR RESORT & SPA

### Natural Beauty on a Higher Plane!

That certainly applies to life at Hotel Indigo Jabal Akhdar Resort & Spa. Nestled on the Saiq Plateau of Oman's Hajar Mountains range, the resort invites you to witness life on the edge 2,000 metres above sea level.

The name 'Jabal Akhdar' translates to 'green mountain,' which may seem paradoxical at first, but it hints at the rich tapestry of this high-altitude oasis.

Located in the central section of the Hajar Mountains, 174 km from Muscat International airport, 2-hour drive.

An 'Oasis of Vitality' where you can find purity on the Green Mountain.

Nestled in the rugged cliffs of Jabal Akhdar, at an altitude of 2,000 meters, Vayu emerges as an oasis of unparalleled purity and serenity. Rooted in time-honoured Omani wellness traditions and further elevated through a progressive mindset, we skilfully harness the four elements bestowed by the mountain to create an immersive experience that purifies the body and soul.

Vayu is a wellness space where time has no meaning. As you immerse yourself in vitality pools, relax in the Vayu Hammam or stand under an Aquamoon shower and experience the rain of tropical rainforest.

## Vue Rooftop Lounge & Bar

Savour the Spectacular: Immersive Dining with Breathtaking Canyon Views

Front and centre stage to the peaks and canyons of the Al Hajar range, lies Vue Rooftop & Lounge – a convivial dining experience enveloped in the irresistible scent of grilled delicacies, meant to be savoured and shared among friends and family.

## Zaatar

Drawing inspiration from local and international influences with modern lifestyle market kitchen accents, Zaatar offers high-quality produce from mezzes and nourishing salads to seafood and marinated meat preparations. Don't forget to taste the warm breads from the stone hearth oven that takes centre stage in the show kitchen.

With indoor and outdoor terrace settings overlooking the Canyon, Zaatar stays true to providing international and local delicacies, alongside crafted drinks which are as important as the dishes the chefs prepare. Sample homemade cold pressed juices, signature crafted coffees and fine hand blended teas from our skilled baristas.

## Café Wadi Habib

Café Wadi Habib transports you back to a feeling of an old Omani souq store, providing a casual indoor oasis that serves the lobby, combined with an outer bar that provides food and drinks to your sun lounger by the infinity pool.
