# St. Regis Brand

## HISTORY

The idea of leisure time, the beauty and escape from the ordinary has been a significant piece of brand storytelling dating back to the very beginning of St. Regis.

Today, this same appreciation of life's most exquisite and beautiful things is alive and well at St. Regis Resorts around the world.

### *Brand Promise*

As St. Regis hosts, we make the everyday exquisite for our guests

### *Brand Positioning*

To Live Exquisite is to perfect every aspect of every moment, to find care and pleasure in the most minute detail, to create an atmosphere of great subtlety and refinement, to aspire to an ideal that transcends the ordinary in every way.
