

OUR JOURNEY

1984 Tanah Gajah

Tanah Gajah was built in the 1984 as a holiday home for the legendary Indonesian architect, Hendra Hadiprana.

2004 The Chedi Club Tanah Gajah, Ubud, Bali

A Singapore - based luxury hotel operator General Hotel Management (GHM) took over the management and operated as a luxury boutique resort.

2020 Tanah Gajah, a Resort by Hadiprana

After nearly two decades under management by GHM, the property returned to its roots and rebranded as Tanah Gajah, a resort by Hadiprana as the flagship resort of a new group, Hadiprana Hospitality.
