

Welcome to the Palace

The magnificent Emirates Palace is located on 1.3 km of white sandy beach and surrounded by 85 hectares of magnificently landscaped gardens. The building reflects the different shades of the Arabian Desert sands and is crowned by a 72-metre high dome along with other 113 domes, covered with mosaic glass tiles topped with gold finials.

The Emirates Palace offers the ultimate for business and relaxation:

- The most advanced meeting facilities including Auditorium, Grand Ballroom and 40 meeting rooms
- Two exceptional pools (one relaxation free-form pool and one adventure pool with slides, lazy river and waterfalls)
- Tennis courts
- Children's club "Sarab Land"
- Football ground, Beach Volleyball, Water Sport facilities
- A selection of restaurants, cafés and bars
- A shopping arcade with some of the world's premium brands
- Anantara Spa – offering rejuvenating Spa Signature Journeys

Elegant and opulent in a contemporary Arabian style from the overall design to the finest detail, Emirates Palace is the epitome of luxury designed for the most discerning traveler. The decoration includes the finest marble, intricate mosaics and Swarovski crystal chandeliers.

Each Room and Suite is a masterful blend of Arabian regal splendor and state of the art technology.

An advanced hotel multimedia system, including touch-screen control panel, allows guests control of in-room entertainment, air-conditioning & lighting preference. Hi-tech LCD screens and complimentary DVD menu provide the guests with endless in-room entertainment. Complimentary Wi-Fi connectivity, throughout the Emirates Palace grounds and public areas.
